Christian Addiction Support Services

*Helping families with alcohol and substance abuse*

## **Application for Membership**

Family Outreach Ontario Christian Addiction Support Services is a faith-based inter-denominational not-for-profit organization that is attempting to provide at least one Christian response to the problems of alcohol and drug addiction particularly within the Christian community. We believe that chemical addiction is a complex disease that has physical, mental and spiritual components. We also believe that help is readily available for those who seek it. As an organization, we accept the challenge of walking alongside of those who are hurting, as many of us once were, to the best of our ability. With a spirit of love we strive to educate and support individuals struggling with addiction and their loved ones who are otherwise affected to fully recover and realize the full potential of the life God intends for them.

Confidentiality and anonymity of those who seek help is one of the cornerstones upon which our organization was founded. All members are bound by this principal to the best of their abilities.

We firmly believe that we cannot fix those who are hurting due to addiction. Our prayer is that God will use us to help bring hope to those He puts in our paths.
